Download GRIB Files using the Iridium GO!

Lu Parente - 2017-09-19 - in [Iridium GO!](#)

To download a GRIB file using the Iridium GO!, you must use an approved Iridium GO! third-party application.

Compatible third-party applications can be viewed here: <https://www.iridium.com/IridiumApps.aspx>.

Note: Some applications may require a one-time fee or ongoing monthly subscription. BlueCosmo will not provide any technical assistance for third-party applications. Always follow up with the third-party application provider for technical assistance.
