## Sending a text message to an Iridium subscriber

Lu Parente - 2017-09-12 - in Rentals

Follow the instructions below on how to send a text message to an Iridium subscriber.

### **Solution 1: Send a text message using a cellular phone**

Using your cellular phone, compose a new message.

In the recipient field, enter the full Iridium phone number starting with a + or 00.

I.e. +881631512345 / 00881631512345

In the message field, type in your message and press **SEND**.

### **Solution 2: Send a text message using Iridium messaging service**

Navigate to <https://messaging.iridium.com/>

Enter the full Iridium phone number in the first field, **8816...**

Enter your email reply address in the second field, **Reply Email**

Type in your desired message in the third field, **Message**.

Select the "**I'm not a robot**" check-box.

Press **Send Message** to send your message to the Iridium subscriber.
