Sending an Email message to an IsatPhone 2 subscriber

Lu Parente - 2019-12-12 - in Inmarsat IsatPhone2

Follow the instructions below on how to send an email message to an Inmarsat IsatPhone 2 subscriber using Inmarsat's Email-to-Text service.

Note: Messages can only contain text characters and should not contain images, attachments, signatures or HTML formatting. Leave the subject line blank.

1. Compose a new message using your preferred email client.
2. Send your email to **870xxxxxxxx@message.inmarsat.com** (where 870xxxxxxxx is the IsatPhone mobile number).
3. Enter the desired text in the body of the email. The total length of the message should not exceed 160 characters (standard SMS length).
4. Send the email and it will be delivered the IsatPhone 2 subscriber as an SMS text message.
